ALL COMPETITORS PLEASE NOTE:

The ANKC has introduced an agility specific entry form which can be downloaded from www.agilitysa.com/Forms.htm and is available in both Excel and Word format. The Excel version has drop down fields to enable you to choose from a list of classes to enter (eg AD, JDX, GDM, etc) and the dog's jump height (200, 300, 400, etc). All other fields in which you enter details are self-explanatory. When you first use one of the forms please ensure that all details are filled in and correct, including the dog's registered name with all titles, registered number, your full name, address and membership number, etc. And most importantly, please remember to sign the forms before sending. Signatures should be an **original**, not photocopied. The forms have been designed to allow for 3 forms on one page, so please ensure you **trim them to size** along the dotted lines before providing to trial secretaries.

All current entry forms in existence, including the South Australian specific entry form and Dogs SA cheque book style entry forms are legal, but please consider using the new Australia wide entry.

The Trial Secretary's job is difficult and time consuming enough so your cooperation would be greatly appreciated.
